### WATERFRONT NOTES

**TWO THOUSAND TONS OF** general cargo from Oriental ports has been left at Honolulu, the freight having been brought here by the Toyo Kisen Kaisha liner Tenyo Maru. The vessel was dispatched for San Francisco shortly after ten o'clock this morning, taking nine day-long passengers to the coast. The cabin passenger list of the Tenyo on the present voyage is a small one, there being less than forty traveling in the first class. The Tenyo brought a batch of new recruits for the plantations of Hawaii.

**INTENDING PASSENGERS** on Matson Navigation liners leaving the port of Hilo have been notified that hereafter, a deposit of ten dollars will be required at the time that the application for transportation is received. At Honolulu no such method is enforced by the several steamship lines much to the convenience of the local agencies who are much handicapped in the satisfactory booking of prospective travelers through a promiscuous application for passage.

**RATES TO Los Angeles** ports have been restored to the old figures, the West Coast Steamship Company quoting its former figures of \$8 for first-class passage and \$5.50 for second-class. Restoration of passenger rates was made by most of the steamship lines some weeks ago, following the loss of the steamer St. Croix by fire, but some of the smaller lines kept up the fight for business and succeeded in staying in the fray until settled.

**A. C. TUFT**, son of the late Captain James Tuft, died recently at Monrovia, Southern California, where he had resided for some time with his wife and two children. He was thirty-nine years old, and was formerly very well known along the waterfront and in shipping circles, being interested in the Bulkhead market, on Stewart street. He was a brother of W. E. Tuft, chief clerk for the Matson Navigation Company, on Pier 28.

**AMONG THE VESSELS** due to arrive at the port tomorrow is the United States army transport Crook, from San Francisco with supplies for the various army posts and stations on this island. The American-Hawaiian company's freighter Arizonan, from Seattle and Puget Sound ports, is also due. This vessel is bringing a large general cargo from New York via Tehuantepec and San Francisco.

**THE CLARK party**, traveling to the Orient and around the world by the Hamburg-America Line steamer Cleveland, is reported to have arrived at Yokohama yesterday. The Cleveland sailed from Honolulu twelve days ago, and the time consumed in the passage across the Pacific would indicate that the Cleveland might have met with some nasty weather as the vessel neared the Japanese coast.

**VESSELS AT THE** present time at Hilo include the American schooner Aloha and the Matson steamer Enterprise, Purser Phillips of the steamer Mauna Kea arriving from Hawaii ports this morning reports the Kauai at Papaikou, the Kaula at Honoumahu, the Maui at Kohala and the Niihau at Kukulhaele.

**LUMBER TO THE** City Mill Company was brought to the port by the little American schooner E. K. Wood. This vessel was thirty-three days in making the passage down to the Hawaiian Islands. Unfavorable winds had much to do with the delay in the arrival of the schooner.

**AFTER HAVING** discharged nearly two thousand tons of fertilizer at Honolulu, the Japanese liner Hongkong Maru, from South American ports, was dispatched through the agency of H. H. Harkfield & Company for Yokohama and Hongkong.

### WATERFRONT NOTES

**HAWAII SUGAR** awaiting shipment includes the following consignments, according to a report brought to this city by Purser Phillips of the steamer Mauna Kea: Olan, 3600 bags; Waiakae, 4000; Hawaii Mill, 4500; Onomea, 4500; Honoumou, 6000; Hakalau, 5800; Laupahoehoe, 400; Oekala, 2100; Kukulau, D. 2-117, H. 1970; Hanakua, 2000; Pauhau, 1500; Honokaa, 6000; Kukulhaele, 255; Punaluu, 1350.

**THERE WAS** a small quantity of freight brought to this port by the inter-island steamer Mauna Kea from Hilo and way ports this morning. Included in the cargo were an automobile, 158 packages sundries and 44 sacks awa. The homeward trip was characterized by fine weather, with moderate winds and seas. The vessel arrived with a large number of cabin and deck passengers.

**FROM HAWAII** ports a shipment of 5100 sacks of sugar was received at the port this morning by the inter-island steamer Iwaleia. This vessel also brought one mill shaft and a quantity of sundries.

**THE INTER-ISLAND** steamer Mikahala which is due to arrive from Maui and Molokai ports tomorrow morning is bringing a shipment of 2200 sacks of sugar among other cargo.

## HUSBAND JAILED FOR FIVE DAYS

### Failure To Pay His Wife Alimony The Cause

Because he has consistently failed to pay his wife alimony that was awarded to her by order of court, Carl Hundrop will spend the next five days of his troubled existence in jail. This was the sentence imposed on Hundrop this morning by Circuit Judge Robinson upon the finding that Hundrop was in contempt of court and would have to be punished.

Hundrop told Judge Robinson this morning that he had been unable to find work and that it was an impossibility for him to contribute anything to the support of his wife and children. He was unable to convince the judge, however, that he had made any very strenuous efforts in that direction, and accordingly the sentence was imposed.

"I would be a good deal better off if I never arrived in this world," was the man's comment after hearing the sentence of imprisonment.

### WILHELMINA MADE CLEAN-UP.

When the new Matson Navigation liner Wilhelmina sailed from Hilo the first part of the week, with destination as Honolulu, that vessel carried a large shipment of Hawaii sugar. The vessel practically cleaned up the greater part of the accumulation at Hilo, which left little or nothing for the Hilonian, that had been scheduled to follow the Wilhelmina. Included in the shipment were: Olan, 13,000 sacks; Onomea, 8800; Hakalau, 6100; Pauhau, 5188; Waiakae, 3300; Honoumou, 13,600.

"And how old are you, little girl?" "Six."

"And how is it you are out walking without your mamma?"

"Oh, mamma doesn't go in for exercise. Really, we have very little in common."—Houston Chronicle.
